BIMA ARIA RADJASA

Full Stack Developer

Depok, West Java, Indonesia | Phone: +62 812 8484 1535

Email: bima.aria.radjasa@gmail.com | LinkedIn: Bima Aria Radjasa

SUMMARY

Highly skilled and motivated Full Stack Developer with 2 years of professional experience in developing and delivering web applications. Possessing expertise in both front-end and back-end technologies. I love to work with Javascript ecosystem and it's frameworks.

Problem-solving oriented person who has a high willingness to learn about modern technologies. I able to work independently and excel in collaborating with cross-functional teams.
